

New Mexico Early Childhood Education and Care Department 2022 Spring Tour

ECECD is hitting the road this spring! Cabinet Secretary Elizabeth Groginsky and the ECECD leadership team will be visiting 20+ communities across New Mexico in the coming months to meet with community partners and learn about how we can better serve early childhood providers, children, and families throughout our state.

If you are interested in participating in a local early childhood education and care roundtable at any of these locations, email us at Helent.Quintana@state.nm.us. We look forward to seeing you and visiting your community soon!
