The countdown is on!

Only two weeks remain until the curtain goes up on the ECHS-NM Convening in Grants!

Thanks to everyone who responded to the RSVP survey for the Tuesday, April 19 ECHS-NM Convening in Grants. We are excitedly planning for the in-person meeting and look forward to seeing many of you there!

In addition to learning more about the GCCS ECHS program, sharing a great meal, and reconnecting with one another, our collaborative focus will be two-fold:

- working toward addressing challenges identified in previous convenings; and
- planning for further extending equity into the digital workforce.

If you haven't registered yet, we encourage you to do so by April 8 for planning purposes - especially if you need to reserve a hotel room. If unable to attend, we ask that you send an assistant principal, counselor, curriculum coordinator, or someone else in a leadership role so they participate on behalf of your program. We want every ECHS represented!

Even if you're unable to attend, we would appreciate if you would please complete the brief RSVP survey linked below.

If you are planning to attend, we will be sending out additional information to you later this week!

As a reminder, every school-based leader who attends will be entered into a drawing for a school Amazon account.
